

100 Year Floodplain

 100 Yr Floodplain

Open Water

— Municipal Boundary

Floodplains do not represent only those areas that will flood, rather they are meant to locate potential areas that are susceptible to flooding. For a detailed analysis of floodplains contact the FEMA Hazard Mapping Division at 1-877-FEMA-MAP

The National Flood Insurance Program maps are maintained and updated by The Federal Insurance and Mitigation Administration's Hazard Mapping Division.

This map was prepared through the Dane County Department of Planning and Development in conjunction with the Dane County Land Conservation Department, Dane County Land Information Office and the Dane County Regional Planning Commission.
